Award Category (Please select one)	SECTION 3
---	------------------

Select the Resilient St. John’s Goal that aligns the most with the achievement from the Nominee:

Corporate Climate Leadership Award:
to recognize an organization that has advanced climate action in its operations.

Community Climate Leadership Award:
to recognize an organization or individual that has advanced climate action in the wider community.

Alignment	SECTION 4
------------------	------------------

Select the Resilient St. John’s Goal that aligns the most with the achievement from the Nominee:

Affordable, Efficient Buildings for All:
Making Buildings Affordable and Energy Efficient (i.e., retrofits or reuses of an existing building or outstanding effort in new development, which increases energy efficiency and reduce greenhouse gas emissions)

Thriving Natural Environment and Agriculture:
Implementing nature-based solutions to climate change that enhance or secure ecological assets to improve their long-term resilience and health in a changing climate, reduce greenhouse gas emissions, and/or improving local food security.

Alignment continued

SECTION 4

Transportation Transformation:

Reducing our need for personal vehicles through active transportation, and/or supporting the electrification of the remaining personal and commercial vehicles (e.g., EV chargers, and adoption of zero-emission vehicles).

A Low-Waste Future:

Efforts to improve waste diversion, and efforts to develop a local circular economy.

Disaster Resilience & Emergency Preparedness:

Preparing for storms by improving resident’s and/or businesses’ preparedness to extreme weather events through engineered and/or nature-based solutions.

Clean Energy for Resilience:

Efforts to apply localized renewable energy technologies or utilize clean fuels to increase resilience and/or achieve greenhouse gas reductions.

Reason for Nomination

SECTION 5

Provide a brief description of the actions, outcomes, and/or achievement(s). Include how the achievement(s) aligns with the award category and goal(s) selected above. Maximum 3,000 characters including spaces.
