Adaptive Equipment Lending Program Guidelines**

Borrowers please retain this portion of the agreement for your records.

The City of St. John's, Recreation Division, through the support of Canadian Tire Jumpstart, has made this equipment available for use by individuals, families and not for profit community groups. In doing so, equipment related barriers in participating in recreation and leisure are greatly reduced.

The following guidelines are established to manage the use of the equipment:

1. Equipment is loaned on a first come, first serve basis.
2. Items may be borrowed for up to two consecutive weeks, depending on demand.
3. The borrower must provide a professional reference to verify that the applicant requires adaptive equipment to participate in recreational activities.
4. It is the borrower's responsibility to pick-up and drop-off the equipment.
5. Recreation Division staff will review the equipment including its proper usage and functions with the borrower prior to loaning.
6. The equipment will be inspected for damage on the date loaned and returned.
7. The Recreation Division is responsible for all regular maintenance and repairs to the equipment and ensuring is in good working condition. If the equipment breaks down due to use beyond regular wear and tear, the borrower is responsible for repairs.
8. The Recreation Division will require a copy of a Driver's License or Government issued ID of the borrower or guardian if under the age of 18.
9. Request to borrow equipment must be made in a minimum of one week in advance.
