SECTION 4

- Permit issued is subject to the City of St. John's Act, R.S.N. 1970, C 40.
- All work is to be performed as per applicable sections of the City of St. John's Specifications.
- Please note that for Permits to Connect, the Owner (or his agent) must contact the Environmental Services Division at 576-CITY (2489) and arrange to have the entire length of open trench and the service pipe(s) inspected by the Environmental Services Division, prior to backfilling. A minimum of 24 hours' notice must be provided to the Environmental Services Division. If the open service trench and the service pipe(s) are not inspected by the Environmental Services Division, water will not be turned on.
