

Proclamation

Pick it up Cleanup Campaign

Whereas: Clean St. John's exists as a community-based organization dedicated to promoting the involvement of all St. John's citizens in environmental stewardship.

Whereas: Major litter sources that contribute to the litter problems are: improper commercial refuse putouts, including dumpsters, improper household refuse, construction and demolition sites, loading docks, uncovered vehicles, motorists and pedestrians.

Whereas: Over 8000 volunteers are expected to take part in this spring cleanup campaign from schools, individuals, youth groups, tenant associations, service organizations, environmental groups and businesses.

Whereas: It is expected that over 40 tons of garbage will be collected.

Whereas: This spring has been targeted for a city-wide cleanup campaign to encourage citizens, business and community groups to assist in the cleanup of harmful litter that pollutes the environment.

Therefore Be It Resolved: That I, Mayor Danny Breen, hereby proclaim May 3rd, 2021 as the start of this spring's **Pick it Up for YYT Clean Up Campaign** in the City of St. John's.

Danny Breen, Mayor
