Dear [REDACTED]

**Re: Request for Access to Information under Part II
of the Access to Information and Protection Privacy Act**

On June 14, 2016 the City of St. John's received your request for access to the following information:

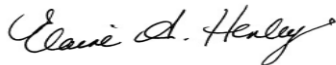

"Records that show the number of taxi drivers who have been licensed and who have had their licenses revoked. Please break down by year and include the reason why a license was revoked. Request includes 2006 through 2016 inclusive."

As advised in an email dated July 4, 2016, the City does not license drivers rather we provide licenses/permits to the companies for the vehicles.

We now consider this matter completed and will be closing the file.

If you have any further questions, please feel free to contact the undersigned by telephone at 576-8202 or by e-mail: ehenley@stjohns.ca.

Yours truly,

Elaine A. Henley
City Clerk
