Commissioner
Office of the Information and Privacy Commissioner
P.O. Box 13004, Station "A"
St. John's, NL A1B 3V8

Dear Mr. Donovan:

Re: Commissioner's Report on a Complaint under the *Access to Information and Protection of Privacy Act*, 2015 – Your File #0025-0060-16-004

We write further to your correspondence dated January 17, 2017 which included Report A-2017-002.

Section [35] under V Recommendations states as follows:

[35] I recommend that the City redact the owners' names and addresses, as well as any other identifying information which may be in the record, and release the remaining information, including the amount of tax owing on each property and the tax years for which the amount is owing.

As requested under the above section, the City has enclosed a list of all properties with arrears of Municipal taxes, water and /or interest exceeding \$10,000. We have redacted the owners' names, addresses and the roll number which number clearly identifies address and owner.

In analyzing the data provided, considerations should be given to the following:

- RE – Commercial realty accounts receivable as of December 31, 2016 – fourth quarter billing October to December 2016 is not due until January 31, 2017.
- RE – Residential realty accounts receivable as of December 31, 2016.
- PP – Personal Property (Business Occupancy) – The City ceased billing PP accounts as of December 31, 2012 due to tax blending. The billing for this account is now included in the commercial realty quarterly billing.
- UB – Utility billing (water by meter) – fourth quarter billing October to December 2016 and is not due until January 31, 2017. It is not a year based system. Arrears and current billing are combined for total owing.

ST. JOHN'S

- Special Assessments - (Civic Assessments) are not a year based system. Arrears and current billing are combined for total owing.
- MB – Miscellaneous billing - not a year based system and arrears and current billing are combined for total owing.
- MB –Miscellaneous billing – non-property – not a year based system and arrears and current billing are combined for total owing.

The attached lists are broken down by category as defined below:

Type of Tax	Explanation
RE – Realty Taxes	Residential, Commercial and mixed-use
PP – Personal Property	Business occupancy tax (no longer exists)
UB – Utility Billing	Water by Meter (tax)

Section [36] under V Recommendations states as follows:

[36] I further recommend that the City take steps to:

- i. review its policies and procedures for responding to access requests in accordance with the duty to assist as set out in section 13(1);
- ii. make a greater effort to communicate its full position and response to this Office within statutory time limits; and,
