

ST. JOHN'S

12-week Recycling Challenge

The City of St. John's challenges you to increase the amount you recycle at the curb!

For a 12-week period starting June 1 we would like you to keep track of the amount of garbage and recycling that you are putting at the curb.

Over the next 12 weeks, we'll send you weekly information about recycling at home. You will entered in weekly prize draws for \$25 RONA Gift Cards, recycling bins and accessories. At the end of the challenge there will be a grand prize draw for a \$1,500 RONA Gift Card.

Print and post this handy calendar in your home to track your progress.

Sort it. Bag It. Curb It. Let's get recycling St. John's!

WEEK 1

# Bags of Garbage	# Bags of Recycling	New Items Recycled
-------------------	---------------------	--------------------

--	--	--

Something new we learned about recycling...
