ST. JOHN'S

STREET CLEANING

Street cleaning removes dirt and debris from city streets to provide an aesthetically pleasing and healthy environment for city residents. Street cleaning reduces the dirt and debris going into storm sewers, thus enhancing the quality of storm water and prevents physical damage to pavement.

SCHEDULED TIME PERIOD

The time period for Downtown street cleaning is Tuesday, April 22 to Friday, September 26, 2014.

AREA COVERED

During the night time, 171 kilometres of street curb in the Downtown area is scheduled to be cleaned.

The boundary of this area is basically the same as defined by the Snow Clearing By-Law with the addition of The Boulevard, Carnell Dr, Clancey Dr, Lake Ave, Lake View Ave and the lower part of King's Bridge Rd. Please see the map in the center of the booklet. However, unlike the Snow Clearing By-Law, the only exclusions are streets that don't have curbs or can't be accessed safely by the mechanical broom. All other streets in this area will be swept on the dates specified.

DOWNTOWN STREET LISTING

Streets Are Listed Alphabetically

In order to reduce confusion, Downtown streets scheduled to be swept have been listed in alphabetical order.

Side of the Street to Be Swept Is Determined By Street Numbers

In the alphabetical list, the streets to be swept have been designated as Odd, Even or Both. This refers to the civic number on your house. The terms North, South, East and West are not used.

Streets May Not Be Swept on the Same Day of the Week

The day of the week on which a street will be swept may change throughout the street cleaning period. This has been done to equalize the number of times streets are swept.

PRIORITIES

The City's Department of Public Works has a comprehensive plan in place for street cleaning in the Downtown area. There are 28 predefined routes. They have been grouped as follows:

Downtown Central Business District

All streets bounded by Hamilton Ave, New Gower St, Duckworth St and Temperance St, with the exception of the section of Duckworth St from Cavendish Sq to Signal Hill Rd.

Downtown Arterials & Collectors

Those major streets that handle the most traffic, plus secondary streets and connector streets that lead to major commercial, tourist and residential areas.

Downtown Residential Streets

Those streets that have the least traffic.

ON STREET PARKING RESTRICTIONS

During the period from Tuesday, April 22 to Friday, September 26, 2014, as defined by the Department of Public Works, the City will provide for the night time cleaning of Downtown streets based on the following defined schedule. ST. JOHN'S STREET CLEANING BY-LAW

Under and by virtue of the powers conferred by Sections 188 and 189 of the Highway Traffic Act, R.S.N., 1990, Chapter H-3, and pursuant to a delegation of power by the Minister of Works, Services and Transportation dated the 27th day of April, 1990, the City of St. John's in regular session convened on this 2nd day of April, 2001, hereby passes and enacts the following By-Law relating to the control of parking for the purpose of facilitating street cleaning in the City of St. John's.

BY-LAW

1. This By-Law may be cited as the St. John's Street Cleaning By-Law.
2. (1) No person shall park an unattended vehicle on a specified street between the hours of 12:01 A.M. (0001) and 7:00 A.M. (0700) on the dates designated by the Director of Public Works and Parks.
(2) The Director of Public Works and Parks shall cause a list of specified streets and the dates upon which they are to be designated in accordance with subsection (1) to be posted on the City's website. (04/13/2009; #1528)
3. When under this By-Law the parking of vehicles is prohibited on one side of a street, vehicles may, during the period when parking is so prohibited, be parked on the other side of the street, notwithstanding any direction to the contrary contained in signs erected on that side of the street.
4. (a) The provisions of this By-Law shall not apply to vehicles of:
 1. the City of St. John's
 2. the Royal Canadian Mounted Police
 3. the Royal Newfoundland Constabulary.(b) The provisions of this By-Law shall not apply on any Statutory Holiday proclaimed by the Lieutenant Governor in Council.
(c) The provisions of this By-Law shall not apply to any street or portion of a street which does not have asphaltic surface.
5. (a) Any person who violates or contravenes any provision of this By-Law is guilty of an offence and is liable to a minimum fine of \$20.00 for each offence.
(b) Offences under this By-Law may be prosecuted by means of a traffic ticket under the provisions of Part II of the *Provincial Offences Act*, P-31.1, S.N. 1995.
6. The 2000 St. John's Street Cleaning Regulations enacted by Council May 8, 2000 are repealed.

IN WITNESS WHEREOF the Seal of the City of St. John's has been hereunto affixed and this by-law has been signed by the Mayor and City Clerk on behalf of the St. John's Municipal Council this 2nd day of April 2001.

WHAT CAN I DO TO HELP?

- Please remove all vehicles from the street at the scheduled times. Any vehicle left on the street during a scheduled cleaning will be ticketed. Please note, all sweeping takes place in the morning on the dates specified, between midnight and 7 a.m.
- Do not re-park your vehicle in any area that is scheduled for cleaning even if the street sweeping machine has been by as it may make several passes on your street.
- Arrange with a neighbour or friend to move your vehicle(s) if you will be out of town on the dates your street is scheduled for cleaning.

Your cooperation and patience are appreciated. Together, we can keep your neighbourhood clean.
