Curbside Collection

Visit CurbitStJohns.ca or call 311 or 709-754-CITY (2489) to find your area.

- Waste must be put at the curb between 6 and 8 a.m. on your collection day only, never the evening before collection day as it interferes with snow clearing, street cleaning and increases litter.
- Garbage carts and recycling bags must be properly placed, and never on the sidewalk or in a snowbank.
- Outside of automated garbage areas, garbage bags must be completely covered from April to November.
- Yard waste must be in paper yard waste bags and put at the curb on your recycling days from May to November.
- Cancelled collections take place the next day along with that days regularly scheduled collection.

Reduce, Reuse and Recycle Holiday Waste

When preparing for the holidays by purchasing or bringing new items into your home, think of how you will dispose of it in the end. Oftentimes there are options that are better choices to reduce waste. Learn more tips at [CurbitStJohns.ca](https://www.curbitstjohns.ca).

Use Real Trees

Artificial trees are not recyclable and eventually end up in the landfill, while real trees are completely compostable. Real trees are usually grown closer to home and use less resources to produce than artificial ones.

Make Memories, Not Waste

Give the gift of an experience: buy your loved ones tickets to a show, the movies, a museum, an activity centre or game. You can also gift homemade items – knit a scarf or pair of mittens, make preserves, bake cookies or treats and package them in a reusable container.

Green Your Party

When hosting others use reusable plates, cups and cutlery and if purchasing food, snacks and drinks choose ones that are in recyclable packaging. If you're not sure if something is recyclable our Waste Wizard will know at [CurbitStJohns.ca](https://www.curbitstjohns.ca).

Christmas Tree Drop Off

Give your real tree new life. We mulch Christmas trees and use them for landscaping projects in City open spaces. Only natural, undecorated trees are acceptable – artificial trees, decorations, tinsel or other manufactured objects are not accepted and please do not bundle or tie the tree.

Snow Clearing

Service Priority

Many factors impact snow clearing operations. Drifting, rain, or a sudden temperature drop could delay our snow clearing timelines. While the City uses its best efforts to clear snow on time, our harsh climate can impact snow clearing.

Street Ice Control

One application of ice control will be completed on streets within three hours of ice conditions.

Street Plowing

- For snowfalls of up to 25 centimeters, streets will be cleared within 24 hours following the storm.
- For snowfalls exceeding 25 centimeters, blizzard conditions, or rapidly changing weather, additional time may be required for clearing.
- Timelines may be extended if there is additional snowfall or icing during this period. Crews will work until all streets and designated sidewalks are cleared.

Street Snow Clearing Priority

Streets are salted and plowed on a priority basis.

Priority 1 = major and minor arterials

Priority 2 = collector streets

Priority 3 = minor streets and cul-de-sacs

Priority 4 = private lanes maintained by the City

Visit [StJohns.ca/ServicePriority](https://www.stjohns.ca/ServicePriority) to look up the priority of your street.

Snow Plowing, Sidewalks

Depending on the amount of snow on the ground, most streets in the sidewalk program will be plowed within five days following the end of the storm. The time to complete this will increase if a new storm occurs during this time frame. View the sidewalk map at: [Map.StJohns.ca/Sidewalk](https://www.stjohns.ca/Map.StJohns.ca/Sidewalk).

Sidewalk Priority

The City clears and salts sidewalks on at least one side of many arterial and collector streets. School zones, however, are given top priority for sidewalk clearing operations.

Priority 1A = school zones

Priority 1 = first side of arterial roads and downtown business district (main pedestrian corridors)

Priority 2 = second side of multi-lane arterial roads and downtown business district, and first side of collectors

Priority 3 = second side of remaining arterial roads (with both sides serviced)

Priority 4 = second side of collector streets (with both sides serviced) and any remaining sections of the sidewalk program

Winter Parking

To safely and effectively clear snow from streets, the City of St. John's prohibits parking on streets by area, time of day, and/or dependent on operational requirements through the following bans.

Any vehicle that violates the winter bans regardless of the conditions, or impedes snow clearing/removal operations, may be ticketed and/or towed.

Overnight Parking Bans

Overnight parking bans for 2025 are in place from **January 3 to April 12**.

The Deputy City Manager of Public Works has the authority to modify the parking ban dates if deemed necessary. All bans will remain in place regardless of street or snow conditions. A vehicle may be ticketed and/or towed if they are parked in violation of the parking ban.

Overnight parking bans are in the following areas:

Downtown Business District

A parking ban is in place between 4 to 6 a.m. on the following streets in the downtown business district:

- Water Street, from Waldegrave Street to Prescott Street
- Duckworth Street, from New Gower Street to Cochrane Street

Outside the Downtown

A parking ban is in place between 12:30 and 7:30 a.m. on streets outside the designated downtown area.

Weather-Related Parking Ban

A parking ban may be implemented on roads outside the downtown area during or following adverse weather events. The purpose of the ban is to keep roads free of parked vehicles so that crews can quickly and safely clear snow or debris.

Once declared, the ban will be in place 24 hours a day until it is lifted.

Details of the ban will be shared through the news section of the website and on the City's social media accounts. Residents can also subscribe to receive emails stating when the parking ban will come into effect, and when it will be lifted, at StJohns.ca/Subscribe.

No Parking Routes

From **December 1 to March 31**, parking is prohibited 24 hours a day, regardless of snow/street conditions, on several streets throughout the city so that ice control and snow clearing equipment can safely provide service and navigate narrow city streets. All impacted streets have signage in place.

Enforcement is continuous for 24 hours a day regardless of snow or street conditions.

For more detailed information, visit StJohns.ca/WinterParking or scan the QR code.

Downtown Snow Removal

Throughout the winter, parking will be banned from **11 p.m. to 6 a.m.** on the streets that are scheduled for snow removal. Violating winter parking bans may result in a ticket being issued, and/or the vehicle being towed.

We announce streets that are scheduled for overnight snow removal by 3 p.m. on the day the removal will take place.

Stay Informed

- Visit [Map.StJohns.ca/Snow](https://www.stjohns.ca/Snow) to learn about schedules.
- Subscribe to receive downtown snow removal advisories by email at [StJohns.ca/Subscribe](https://www.stjohns.ca/Subscribe).
- Call Access St. Johns at 311 or 709-754-CITY (2489).
- Check for signs placed in snowbanks at the ends of streets.

Where to Park

When your street is scheduled for a snow removal, you need to move your vehicle(s) off the street for the night. If you do not have a private driveway, we suggest you use a public parking lot. Alternate parking options include:

- City Hall parking garage, 8 New Gower Street, free to the public on weekends and 5 p.m. to 8 a.m. on weekdays when there is no event at the Mary Brown's Centre.
- Privately owned parking garages at 351 Water Street and 330 Duckworth Street (parking by fee).

For more details, visit [StJohns.ca/DTSnowRemoval](https://www.stjohns.ca/DTSnowRemoval) or scan the QR code.

If Your Vehicle is Towed

Impound Fees and Payments

- Towing charge: \$200
- Administration charge: \$50
- Impounding fee: \$25 per day

Vehicles are released to the registered owner/renter when all charges are paid. If proof of registration and insurance is not provided, the vehicle can only be towed, not driven, from the impound lot.

Payment Options:

- In person at City Hall
8 a.m. to 4 p.m., Monday to Friday
by cash, credit or debit card
- By calling 311 or 709-754-CITY (2489)
7 a.m. to 11 p.m. (credit card only)

Impounded vehicles can be picked up, after payment is made, by the registered owner/renter from 8 a.m. to midnight, seven days a week at 25 Blackler Avenue. Proof of ownership required, such as:

- Driver's license or other government identification with the same name and civic address as the vehicle registration.
- For rental vehicles, the name and address on government identification must match the name and address of the rental agreement.

Is The Loop open?
Call 709-733-LOOP (5667)

The Loop at Bannerman Park

The Loop opens for the season when temperatures are consistently low enough to make and maintain the ice surface.

Please do not skate on The Loop until we've announced it's open – skating on it before then damages the ice and delays the opening. Visit StJohns.ca for updates.

**Hours of operation
(once opened for the season):**
Daily from 10 a.m. to 10 p.m.

Closed for ice maintenance (no skating)
Tuesday to Thursday: 1 to 2 p.m.
Friday to Monday: 1 to 2 p.m. and 4 to 5 p.m.
