

Proclamation

**Energy Efficiency Week
October 1 – October 8, 2021**

Whereas: takeCHARGE is a joint initiative between Newfoundland Power and Newfoundland and Labrador Hydro aimed at creating energy efficiency awareness and delivering programs that promote electricity savings to the residents of this province, and

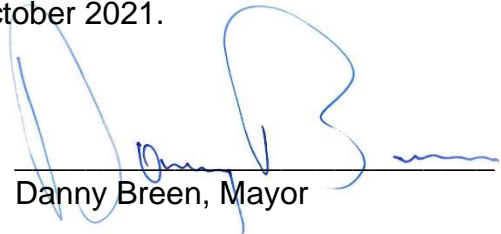

Whereas: Energy efficiency is important for the people of St. John's and our whole province, as it helps reduce the demand on the electricity system and the impact on the environment, while helping homeowners and businesses save energy and money, and

Whereas: Energy Efficiency Week 2021 is focused on providing Newfoundlanders and Labradorians with the information they need to save energy and money. This year, takeCHARGE is celebrating small victories in energy efficiency. From installing LED light bulbs and programmable thermostats, to draft-proofing windows, to taking shorter showers – the energy savings add up! The takeCHARGE team has advice, tips and rebates to help you enjoy more small victories in energy efficiency, every single day. Visit TakeChargeNL.ca for a list of opportunities, including webinars and events, to get expert advice from the takeCHARGE team all week long. And don't forget to enter for a chance to win an Energy Efficiency Prize Pack filled with all kinds of products to help make your home more energy efficient. Energy Efficiency Week is also a great time to save right at the register with takeCHARGE [Instant Rebates](#).

Therefore: I, Danny Breen, Mayor of the City of St. John's, Newfoundland and Labrador, do hereby proclaim October 1 – 8, 2021, as Energy Efficiency Week.

More information on these activities can be found at TakeChargeNL.ca.

Signed at City Hall, St. John's, NL on this 1 day of October 2021.

Danny Breen, Mayor

ST. JOHN'S
